How and when can I redeem my StylePoints?

Much like an airline frequent flier program, StylePoints redemptions are subject to a few rules and restrictions.

Pay in Full. StylePoints are redeemable as soon as you have accumulated enough points to purchase a service or retail product in full. StylePoints cannot be redeemed for partial services or products. StylePoints cannot be used toward NJ Sales Tax.

Redemption schedule. StylePoints can be Monday thru Friday, for services scheduled between 9:00am and 3:00pm, at the normal 1,000 points per \$1.00 exchange rate.

StylePoints can be redeemed any day of the week, any time of the day for take home products.

StylePoints can be redeemed for services on weekends or evenings at our premium exchange rate of 1,500 points per \$1.00.

Are StylePoints redeemable for cash?

No. StylePoints are not redeemable for cash

Are StylePoints transferable?

No. StylePoints must be redeemed by the client who earned them.

Do StylePoints expire?

Yes. Stylepoints are accumulated on the calendar year, and expire at the end of the following year. For example, all Stylepoints earned during the year 2010 will expire on December 31, 2011. Stylepoints earned during the year 2011 will expire on December 31, 2012, etc. It is the client's responsibility to claim unredeemed StylePoints prior to expiration

Are StylePoints affected if I cancel my appointment?

It depends. Since our rewards program is transaction based, points are awarded at the time of the sale. As such, points earned for scheduling your next appointment during your current visit are not awarded until that next visit occurs. If you cancel that next appointment, the points would never be awarded. Also, points are deducted from your rewards account if you fail to keep an appointment without calling to let us know. So to make a long story short, please call to reschedule any appointment you find you cannot keep and you never have to worry about it!
